

Product Safety Recall

ANACONDA

Dune 4WD Recovery Strap (9m) and Dune 4WD Recovery Kit

In the interest of customer safety, Anaconda is recalling 2 products sold in Anaconda's Queensland stores in its Camp and Hike Department called "Dune 4WD Recovery Strap (9m) and Dune 4WD Recovery Kit".

What is the safety issue? The information required to be on the packaging by the mandatory standard applicable in Queensland was included on the packaging and all relevant information was provided in the booklet supplied with the products. However, these products did not repeat information required by the Queensland mandatory standard on a label either sewn into or permanently affixed to the products.

Where was the non-compliant product sold? In Queensland Anaconda stores from 1 October 2008 – 30 April 2010.

Consumer action: For customers who purchased one of these products from an Anaconda store **in Queensland** between October 2008 and April 2010 please return the product to your nearest Anaconda store for a full refund.

Further info: Anaconda Group Pty Ltd, 111 Cecil Street
South Melbourne VIC 3205
